CHAPTER 209

I previously translated "Assault" as "The Assault Rifle" but decided to change it to the former since it sounds better. Assault, Assault, yes it has a nice ring to it, don't you think? You will like, won't you? What do you think?

In other cases, I really got off my lazy ass and created a site for my releases. You're damn right!

You pressed the button because you wanted to kill her so badly,
right?

Nameless Mass of Brains: 2009/05/27(Sat) 15:33:28 ID: brain
 All memories are shared in this space (mass consciousness)
 It is impossible to lie. There are evidently memories with killing intent remaining from when you pressed that button. We are sharing that killing intent. It is futile to try to deceive us.

Intensely negative emotions are spreading out
Will it be like this?

707 Nameless Mass of Brains 2009/05/23(Sat) 15:36:58 ID: brain
We won't be swayed by just one person's emotions. It's just a single drop
of water in the ocean. It won't become a hegemony with just a slight
movement.

708 Nameless Large Scale Mass of Brains 2009/06/23(Sat) 15:37:17 ID: brain
I wouldn't rule that out
Currently the mass itself is responding by the negative emotions
It's a dangerous option

 It's got eggs
 It's got something a fire extinguisher can
 extinguish
 How far has the fire spread?

710 ~~Nameless~~ Mass of Brains: 2008/04/23(Sat) 18:08:22 ID: pain
 Since the COM don't feel pain even when on fire, they will keep
 on moving until they're burned to ashes, thus causing the fire to
 spread.

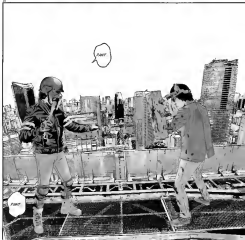

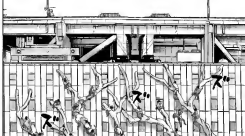

711 ~~Nameless~~ Mass of Brains: 2008/04/23(Sat) 18:07:40 ID: pain
 Are the speakers functioning?

712 ~~Nameless~~ Mass of Brains: 2008/04/23(Sat) 18:02:11 ID: brain
 Because of the COM's collapse or perhaps their water runways
 are empty because the robots have already consumed them.

713 ~~Nameless~~ Mass of Brains: 2008/04/23(Sat) 18:04:44 ID: brain
 This building will be the base of our nest.
 We have to stop the fire from spreading any further or it
 will collapse.
